Reading records!

So that we can ensure all eligible children have their raffle tickets included for the bookworms, reading records need to be handed in **every Thursday.**

Curriculum project

We would like the children to choose one of the ideas listed below and over the half term work on this project. On week beginning **Monday, 14th December 2026,** we would like the children to bring in photographs or the actual project that they have been working on. Part of that week will be dedicated to the children showcasing and explaining what they did and what they have learnt.
