## Curriculum project

We would like the children to choose one of the ideas listed below and over the half term work on this project. On Tuesday 8<sup>th</sup> July, we would like the children to bring in photographs or the actual project that they have been working on. Part of that day will be dedicated to the children showcasing and explaining what they did and what they have learnt.

Can you write a poem or song based on the theme of 'belonging'.

Research a charitable organisation. Can you make a presentation to share about the good work they do?

Can you plan and make a summer picnic that makes the most of British, seasonal foods?

Find a weather picture that you like. Can you recreate it in a medium of your choice?

Look at the clouds. Draw a picture of take photographs (with permission). Can you identify the different cloud types?

With a family member, challenge yourself to try the permemant orienteering course at the Valley Gardens.
